Why Work With Us

MORE THAN A DECADE EXPERIENCE

LIMPID was established in 2008 and since then has grown into a global translation agency, helping start-ups, SMEs, and corporate clients grow their businesses.

ESTABLISHED TEAM & NETWORK

Professional translators, web designers, developers, marketing specialists and SEO specialists are the knowledgeable about the market are the people behind the growth of the company.

FAST TURN-AROUND & RESPONSIVE

We have a team strategically located across the globe to ensure all time zones are covered and able to respond to the clients' needs and deliver projects ahead of time.

Translation (Simplified Chinese)

Target Market: China Mainland

EN - CN- \$0.10 USD/word

CN - EN - \$0.11 USD/word

Limpid only offers professional translation services. Our translation rates includes proofreading, copy editing, and localization at the highest standard of quality.

Translation (Traditional Chinese)

Target Market: Taiwan/Hong-Kong

EN - TC- \$0.13 USD/word

TC - EN - \$0.14 USD/word

All translations are carried out by native translators with more than 5 years of experience.

Delivery of Work

4,000 words in one working day

The delivery of a translation project varies according to the length of the document and the nature of the text. Legal or technical documents, as well as complex projects containing graphic design tasks, will take longer to complete. Urgent translations = 10% surge rate.

Desk-Top Publishing (DTP) Services

\$8 USD per page

Limpid provides DTP services for documents in various formats: PDF, Adobe Illustrator, Adobe InDesign, Adobe Photoshop and more.

Software Localization

Target Market: China, Taiwan and Hong-Kong

Whether it's a desktop or mobile software, software localization involves translation and localization of user's interface, and integration with China platforms.
